

NEW YORK TERMS & CONDITIONS

You authorize Viridian Energy NY, LLC, for electric service if selected, and Viridian Energy PA, LLC for gas service if selected (as applicable, the “Company”), a member of the Crius Energy family of brands, to change your electricity or gas supplier, as the case may be, to Company and to supply your home or small business with all the Services you need, subject to the eligibility requirements of your local electric or gas utility (“Utility”). Your Enrollment Documentation, which includes your Welcome Letter, and these Terms and Conditions create your agreement with the Company (“Agreement”) and supersedes any oral or written statements made in connection with this Agreement or the supply of your Services. Capitalized terms used herein have the meaning ascribed to them as listed within the Agreement as well as in the “Definitions” section herein.

PRICE	Your Rate, which will determine the Price you pay for your supply Services, is specified in your Enrollment Documentation or Welcome Letter.
VARIABLE RATE	If you selected a variable rate, your Rate will vary based on several factors, including but not limited to market conditions, operations costs, and other factors and may include an introductory rate for such time as indicated in your Welcome Letter (“Variable Rate”).
FIXED RATE	If you selected a fixed rate, the Rate for your Service is the Rate indicated in your Welcome Letter and guaranteed not to change for the Term (“Fixed Rate”).
TERM	Your Agreement will continue for the Term specified in your Welcome Letter.
RESCISSION	If you are a residential customer, you may rescind this Agreement, without fees or penalties of any kind, at any time prior to midnight of the third business day after you received this written Agreement (“Rescission Period”).
TERMINATION FEES	If you selected a Variable Rate, no termination fees will apply. For residential customers that selected a Fixed Rate, the Termination Fee listed in your Enrollment Documentation will apply to each Service you terminate after the Rescission Period, but before your Term or Renewal Term ends, or if you Default. For small commercial customers, see Section 4.
LATE FEES	Any bill not paid in full by its due date will incur a late payment fee in accordance with the Utility’s billing and payment policies and procedures.
RENEWAL	For any Fixed Rate plan, you will receive notice from Company (between thirty and sixty days prior to the end of your Term) that you will be enrolled: (i) on the Fixed Rate plan provided in the notice (unless you choose, pursuant to Section 4, to cancel within three (3) business days after receiving the first billing statement at which time no Termination Fee will apply), or (ii) on the Company’s variable plan available at such time and you may cancel at any time without any, Termination Fees.
GUARANTEED SAVINGS	You understand that unless you have been offered a Rate in writing confirmed by the Company that expressly provides otherwise, there are no guaranteed savings. The “Save Money Over Time” advertisement refers to a historical study and comparison between Viridian’s Everyday Green variable rate to your Utility rate (and an aggregate utility price to compare statewide historical savings) from February 2012 to present. This data and chart is available at http://www.liveviridian.com/historicalrates . Please check your Utility as savings vary time-to-time, Utility-to-Utility, and past savings is not a guarantee of future savings.

- SERVICES.** Upon successful completion and receipt of all customer enrollment requirements, Company will supply Services for your home or small business. Company is a retail marketer of Services and is not your Utility. Your Utility will continue to deliver Services to your home or small business, read your meter, send your bill and make repairs and charge you for its services related to delivering your commodities. Your Utility will also respond to emergencies and provide other traditional utility services. You understand that you are not required to switch your Services to Company. There is no charge for starting or stopping Service; however, an early contract termination fee may apply as described herein.
- TERM.** Company will begin supplying your Services when the Utility switches your account to Company. Your Agreement will continue for the Term specified in the Enrollment Documentation, and if applicable for the Renewal Term. Typically it takes one to two billing cycles for your Service to be switched from your Utility to the Company, but there may be a delay before the Utility switches Services and you understand that Company is not responsible for any such delays.
- PRICE.** Each month you will pay for the Services you consume. For electricity, your bill will be calculated by multiplying your Rate by the amount of electricity you consumed in kilowatt-hours during the billing cycle, plus any applicable Fees. For gas, your bill will be calculated by multiplying your Rate by the amount of gas you consumed in cdfs, or therms, as the case may be, during the billing cycle, plus any applicable Fees.
- RESCISSION; TERMINATION.** To terminate or rescind this Agreement, you must notify Company as detailed in Section 13 or your Utility. Please provide your name, address, phone number, account number and a statement that you are rescinding or terminating the Agreement. Rescission is effective immediately. Termination will be processed immediately but is effective upon your Utility processing your termination and you are obligated to pay for the Services provided pursuant to this Agreement until you are returned to your Utility or alternative supplier. If you are a small business customer and selected a fixed rate, your early termination is equal to the Remaining Contract Quantity times the greater of (i) Contract Price less Market Price at the time of the Termination, or (ii) \$0.02/kWh or Ccf/therm. Remaining Contract Quantity shall mean the total estimated usage for the period remaining in the Fixed Term of this Agreement at the time of termination, based on Buyer’s historical usage or Company’s estimated usage calculated in a commercially reasonable manner. The Market Price for the remainder of the Fixed Term will be determined by Company in a commercially reasonable manner.
- BILLING AND PAYMENT.** The Services you purchase from Company will be included in your Utility monthly bill or in a separate invoice from Company. The Utility will set your payment due date and the payment address. You may be liable for cost recovery fees if Company must terminate your bill for failure to pay. Company shall have the right to setoff and net against any undisputed amounts owed by you under this Agreement, and the Company shall additionally have the right to setoff and net against any deposit or security provided by you pursuant to this Agreement any amounts, charges or damages owed by you to

Company. You will be billed and pay Company for the Services based on meter readings and consumption information that Company receives from your Utility (“Billing Quantity”). For commercial accounts, Company will have the option to adjust the Billing Quantity for fuel and line loss retained by your Utility and interstate transporters from the Purchased Quantities. You are responsible for paying and reimbursing Company for all applicable Fees. If you are tax exempt, you must furnish Company an exemption certificate before your service commences.

8. **PHONE COMMUNICATION POLICY.** You will be asked by the Company to provide consent to the Company’s Phone Communication Policy. Our policy is that if you provide your phone number, which may include your wireless number, the Company and its Agents may text or call you with autodialed or pre-recorded promotional or product information. For commercial customers only: (i) as between Company and you as a commercial customer, you will be deemed to be in exclusive control of the natural gas and/or electricity and responsible for any damage, injury, charges, transportation fees, costs or losses at and after the Sales Points, including, without limitation, any losses that Company incurs that result from having to resell, or its inability to resell, to another party natural gas and/or electricity supplies allocated for you and (ii) as between Company and you, Company will be deemed in exclusive control of the natural gas and/or electricity, and responsible for any damage, injury, charges, transportation fees, costs or losses until the natural gas and/or electricity is delivered to the Sales Points; provided, however, that in no event shall Company’s liability under this Agreement exceed the difference between the reasonable price of replacing any undelivered natural gas and/or electricity and the price of natural gas and/or electricity under this Agreement.
